

IAS 1 Presentation of Financial Statements

Objectives of IAS 1

- Guidelines for Structure
- Minimum requirements for the contents
- Basis & Overall requirement for Presentation of General Purpose Financial Statements

IAS 1 is intended to meet the need of users who are not in a position to demand reports tailored to specific information needs.

3

Objectives of the Financial Statements

To provide information about :

- Financial Position – Balance Sheet
- Performance - Income Statement
- Changes in Financial Position – Cash Flow Statement

By Providing information about :

- Elements of Financial Statements : "A-L-E-I-E"
- Contribution by & Distributions to Owners in their capacity as such

4

Applicability of IAS 1

Applies to all types of Business Entities

Fully Applicable to

- Consolidated
- Separate
- Complete

Partially Applicable to

- Condensed Financial Statements

5

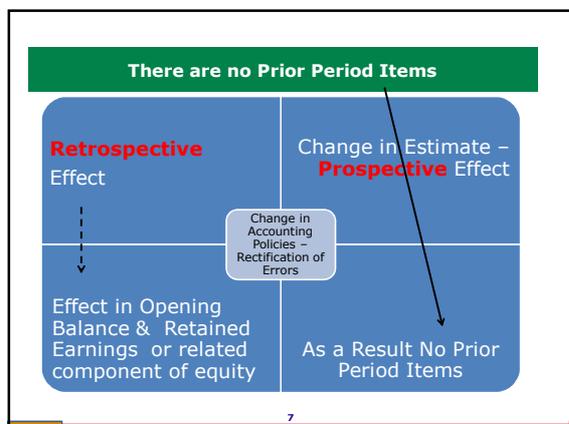

A complete set of Financial Statements is made up of:

- A Statement of Financial Position as at the end of the period
- A Statement of Changes in Equity
- A Statement of Comprehensive Income*
- A Statement of Cash Flows for the period
- Notes comprising a summary of significant accounting policies and other explanatory information
- A Statement of Financial Position as at the beginning of the earliest comparative period when an entity :
 - applies an accounting policy retrospectively or
 - makes a retrospective restatement of items in its financial statements, or
 - when it reclassifies items in its financial statements.

*Statement of Profit or loss and Other Comprehensive Income (new name w.e.f. June 2011)

6

Financial Statements should present fairly

the following:

- financial position
- financial performance and
- Changes in Financial Position
Viz., cash flows of an entity.

The application of IFRS, coupled with additional disclosure is presumed to result in Financial Statements that achieve a **FAIR PRESENTATION**

Mere disclosure of inappropriate policies is not a remedy – not a rectification

Fair presentation override is permitted under certain circumstances.

8

What is required for Fair Presentation

Step 1 : Selection and application of accounting policies

Step 2 : Presentation of information in a manner which provides relevant, reliable, comparable and understandable information

Step 3 : Additional disclosures when required

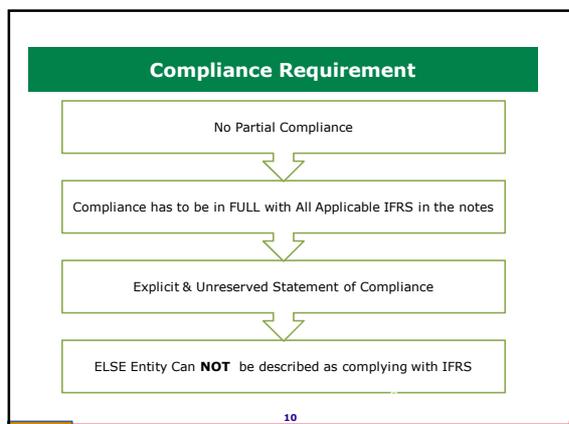

Fair presentation override

In *extremely rare circumstances*, compliance with an IFRS is so 'misleading' that conflicts with *Framework* objective of financial statements

In such circumstances, if regulations permit:

- o do not comply with the IFRS
- o choose accounting policy that results in fair presentation

9

Assessment of Going Concern

- This involves an assessment of the entity's ability to continue as a going concern, and hence its ability to continue to prepare its financial statements on the basis of going concern.
- This continues until Management either intends to liquidate the entity or to cease trading, or has no realistic alternative but to do so.
- When an entity does not prepare financial statements on a going concern basis, it shall disclose :-
 - that fact,
 - the basis,
 - the reason why the entity is not regarded as a going concern.

11

Other Considerations

Accrual basis

An entity shall prepare its financial statements, except for cash flow information, using the accrual basis of accounting.

Materiality and aggregation

An entity shall present separately each material class of similar items. An entity shall present separately items of a dissimilar nature or function unless they are immaterial. If the information is not material, specific disclosure is not required

Nature or Magnitude

12

Other Considerations

Offsetting
 An entity shall not offset assets and liabilities or income and expenses required or permitted by an IFRS.

Permissible Offsetting
 Gain – Losses on sale of Non Current assets
 Netting of expenses in cases where they are reimbursed
 Gains and losses on foreign exchange transactions

14

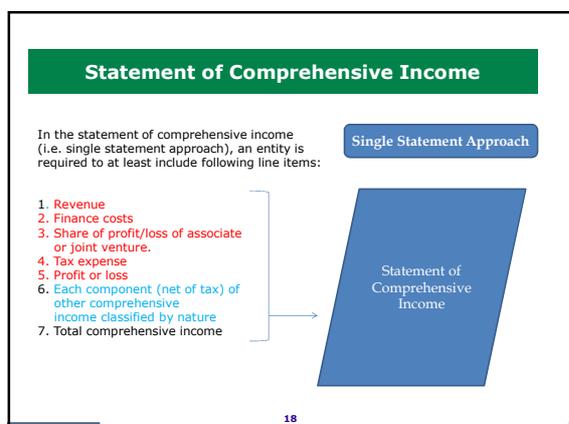

What is OCI ?

Other comprehensive income comprises items of income and expense (including reclassification adjustments) that are not recognised in profit or loss as required or permitted by other IFRSs.

15

Other Comprehensive Income

- ❖ Disclose the amount of income tax relating to each component of other comprehensive income, including **reclassification adjustments**, either in the statement of comprehensive income or in the notes.
- ❖ An entity may present components of other Comprehensive income either:
 - (a) net of related tax effects, or
 - (b) before related tax effects with one amount shown for the aggregate amount of income tax relating to those components.

22

Information to be presented in OCI section

Since June 2011...

Para 82A of the Standard:

The other comprehensive income section shall present line items for amounts of other comprehensive income in the period, classified by nature (including share of the other comprehensive income of associates and joint ventures accounted for using the equity method) and grouped into those that, in accordance with other IFRSs:

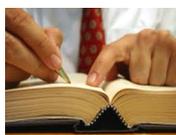

- (a) will not be reclassified (or recycled) subsequently to profit or loss; and
- (b) will be reclassified subsequently to profit or loss when specific conditions are met.

23

Reclassification Adjustments

- ❖ Amounts reclassified to profit or loss in the current period that were recognised in other comprehensive income in the current or previous periods.
- ❖ An entity shall disclose reclassification adjustments relating to components of other comprehensive income.
- ❖ Other IASs specify whether and when amounts previously recognised in other comprehensive income are reclassified to profit or loss and these are referred to as the reclassification adjustments.

24

Reclassification Adjustments	
Items Reclassified to Profit or Loss	Items NOT reclassified to Profit or Loss
On disposal of a foreign operation –	Gains on property revaluation
When a hedged forecast transaction affects profit or loss – in relation to cash flow hedges	Actuarial gains or losses on defined benefit plans
	Gain on Investment in equity instruments
Income tax relating items that will be reclassified	Income tax relating to items that will not be reclassified

25

Changing the Presentation or Classification

When the entity reclassifies comparative amounts, the entity shall disclose:

- the nature of the reclassification;
- the amount of each item or class of items that is reclassified;
- the reason for the reclassification.

When it is impracticable to reclassify comparative amounts, an entity shall disclose:

- the reason for not reclassifying the amounts, and
- the nature of the adjustments that would have been made if the amounts had been reclassified.

26

Statement of Changes in Equity (Net Assets)

- ❖ "The Statement of Changes in Equity" reflects the increases and decreases in the net assets of an entity during the period.
- ❖ In accordance with IAS 1, all changes in equity from transactions with **"Owners" (in their capacity as Owners)** are to be presented separately from non-owner changes in equity.
- ❖ Includes following components on the face of the statement:
 - Total comprehensive income for the period, segregating amounts attributable to owners and to non-controlling interest;
 - The effects of retrospective application or retrospective restatement separately for each component of equity;
 - Contributions from and distributions to owners; and
 - A reconciliation between the carrying amount at the beginning and the end of the period, separately disclosing each change, for each component of equity.

27

Statement of Changes in Equity (Net Assets)

The following should be disclosed, either in the statement of financial position or the statement of changes in equity, or in the notes:

- For each class of share capital
 - Number of shares authorized;
 - Number of shares issued and fully paid, and issued but not fully paid;
 - Par value per share, or that the shares have no par value;
 - Recognition of the number of shares outstanding at the beginning and at the end of the periods;
 - Any rights, preferences and restrictions attached;
 - Shares in the entity held by the entity or its subsidiaries; and
 - Shares reserved for issue under options and contracts for the sale of shares, including terms and amounts.
- A description of the nature and purpose of each reserve within equity

28

How should Dividend be presented?

in the statement of changes in equity

or,

in the notes,

the amount of dividends recognised as distributions to owners during the period, and the related amount of dividends per share.

29

Classification of Assets and Liabilities

30

Classification of Assets and Liabilities

An entity shall classify an asset as current when:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it holds the asset primarily for the purpose of trading; or
- it expects to realise the asset within twelve months after the reporting period; or
- the asset is cash or a cash equivalent (as defined in IAS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

An entity shall classify all other assets as non-current.

31

Classification of Assets and Liabilities

An entity shall classify a liability as current when:

- it expects to settle the liability in its normal operating cycle;
- it holds the liability primarily for the purpose of trading;
- the liability is due to be settled within twelve months after the reporting period; or
- it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

An entity shall classify all other liabilities as non-current.

32

Minimum Requirement: Presentation of Assets and Liabilities

Whichever method of presentation is adopted, an entity shall disclose the amount expected to be recovered or settled after more than twelve months for each asset and liability line item that combines amounts expected to be recovered or settled:

- no more than twelve months after the reporting period, and
- more than twelve months after the reporting period.

33

Minimum Requirement : Presentation of Assets and Liabilities

An entity classifies its financial liabilities as **current** when they are **due to be settled within twelve months after the reporting period**, even if:

- a) the original term was for a period longer than twelve months, and
- b) an agreement to refinance, or to reschedule payments, on a long-term basis is completed after the reporting period and before the financial statements are approved for issue.

34

Loans classified as Current Liabilities

In accordance with IAS 10 *Events after the Reporting Period*, the following are considered as **"NON- Adjusting Events"**.

- (a) refinancing on a long-term basis;
- (b) rectification of a breach of a long-term loan arrangement; and
- (c) the granting by the lender of a period of grace to rectify a breach of a long-term loan arrangement ending at least twelve months after the reporting period.
